THIS MONTH AT CAMPUS MINISTRY

The Eric O'Connor Event 1996

(Part One)

THE MEETING OF CULTURES:

Spiritual Resources in a Multicultural World

Wednesday, March 20, 1996

7:00-9:30 p.m.

The Loyola Chapel

7141 Sherbrooke W/O

The problems arising from the meeting of disparate cultures in Canada are not new. Their beginnings are found in the earliest meetings between the aboriginal peoples of North America and the first European immigrants. What has changed and is changing is our view on spirituality, community and church. What part one of the 1996 edition of the Eric O'Connor Event will examine is how these changes allow today's meeting of cultures to be a source of strength and growth for all.
